Title TK with Michael Smith: (left to right) Howie Chen, Cory Arcangel, Michael Smith, Alan Licht

Title TK features performance transcripts from the talking guitarists trio consisting of Cory Arcangel, Howie Chen and Alan Licht

A collection of performance transcripts from the guitar trio Title TK has been just published. The collection features members Cory Arcangel, Howie Chen and Alan Licht engaging in unscripted conversations about music, the music industry and popular culture, and is said to draw inspiration from David Antin's improvised talk poems. The book includes 'gigs' from Lit Lounge, Audio Visual Arts, the Whitney Museum (with guest Danny Goldberg), Performa (a collaboration with Michael Smith), Oberlin College, POP Montreal festival, Dia Beacon, Carnegie Museum of Art, Roulette and Triple Canopy. The book is published by Primary Information.
